| Reason: Proof of Claim purports to assert liabilities associated with outstanding litigations; however, neither the proof of claim nor supporting documentation provided enough information for the Debtors to understand whether any liabilities are owed by the Debtors. The Debtors have made multiple attempts to contact claimant by email, mail, and/or telephone, but claimant either has not responded to Debtors' requests, or claimant's response still does not provide enough information to enable the Debtors to understand whether any liabilities are owed. |   |            |                 |  |         |                       |
